BULLETIN

August-15 to Nov-15 - 2023

Nabakrushna Choudhury College of Teacher Education, Angul

From Principal's Desk....

Life is a journey and it is all about learning. We try to mould the character and mental attitude of our students, instill basic principles of life in them and nurture their individual capabilities to the fullest.

The students of our College are making their mark not only in academics but also in the field of sports, music, fine arts etc. Our endeavour is to maintain a perfect harmony between the school curriculum and the extra-curricular activities. We truly believe that our education should now move from knowledge to skills and wisdom, from competition to co-operation, from division to unity and finally from 'how to earn a livelihood' to 'how to live'.

We aim at making our students capable enough to be self-directed and self-managed individuals who can confront the challenges of life without wavering. Our students are not only taught to fly high in the open sky of tremendous opportunities but also to stay attached to their roots.

Blessings & best wishes
Dr. Droupadi Patel
Principal

Mihali Swain

Gandhi Said- "By Education, I mean all round drawing out of the best in child and man- Body, Mind and Spirit'. Similarly our esteemed institute aims at quest for excellence in academic achievement. We leave no stone untouched to provide quality education while equipping students with knowledge and skills in their chosen stream. Our approach is towards increasing national productivity, achieving social and national integration and accelerating the process of modernisation. We remain committed to enabling our distinguished students reach at the zenith of their prosperity.

In the riveting world of productivity NKC CTE Angul holds a paramount role crafting committed and competent teacher. Like the skillful hands of sculpture, that chisels a rough stone into a breathtaking sculpture, we meticulously transform our pupil teacher into unparalleled excellence and brilliance. This chronicle encapsulates the institutes unwavering commitment towards academic, physical as well as elological excellence.

Chief Editor-
